He Kills At Night

Synopsis

The Pickering Brothers have crafted an intricate plot – **film-news.co.uk**

Familiar and comforting Christmas songs are juxtaposed with violent acts and frightening threats – **Filmhounds**

A Christmas thriller with plenty of bite – **The Hollywood News**

It's Christmas Eve and there's a serial killer on the loose, with multiple women missing in the area. Fern, driving home for the holiday season, pulls over by the side of the road to relieve her bladder. She is attacked by Alan a mysterious rogue sporting a shirt drenched in blood. He demands Fern drive him away, but when she fights back, Alan inadvertently kills her.

Driving towards Alan is Marie, emotional and carrying a nasty shiner. Not watching the road, Marie nearly hits Fern's car. Alan forces himself inside her vehicle and demands she drives him away and help him get out of the country, but all Marie wants is to get back to her estranged family and spend Christmas with them...

What ensues is a deadly game of cat and mouse where nothing is at it seems, full of twists and turns, across the snow drenched English Countryside. It will be a Christmas miracle if Marie can make it out alive...
